*Welcome...*

The Gelbvieh Association of Alberta/BC would like to welcome you to the 2019 Wish List weekend and Sale. This weekend has proven to be a notable high light in the Canadian Gelbvieh circle... a great time to catch up and visit with many Gelbvieh enthusiasts as well as a chance to take home some outstanding Gelbvieh genetics to add to your herd.

The weekend will kick off with a banquet on Friday night. We are proud to welcome back the People's Choice Bull Futurity, we are sure it will bring some additional excitement to this great Gelbvieh weekend

Saturday will start off with the Annual Meeting, followed by a beef on a bun lunch and the final round of the 2019 Bull Futurity. The Wish List Gelbvieh Sale is set to start at 4pm sharp. A big Thank you to the Birch family of Twin Bridge Farms for donating this year's Donation Heifer. Proceeds from this heifer go to the AB/BC Association to help promoting the Gelbvieh breed in Alberta and British Columbia. Details of this heifer are on page 5.

Once again, we have Kirk Hurlburt as a sales consultant. Kirk can assist you if you are unable to attend the sale or need any special arrangements. His contact number is listed on the previous page. Live Auctions will also be broadcasting the sale in real time. Bidding can be done through Live Auctions or Kirk. Please give Kirk a call previous to sale to arrange bidding.

Take a look through this Wish List catalog for some outstanding animals to add to your "Christmas Wish List". Should you have questions on any of the lots, please feel free to contact the consignor or Kirk Hurlburt. The AB/BC board is also available for feedback or questions, please feel free to contact us anytime. Have a Great Christmas Season!

## Productive Bred Heifers

CK Fixed Asset 32F - service

JM Fern 32F is a very hard female to part with. The females in this heifers pedigree are certain "NO MISS" cows that we all strive to produce. Tracing all the way back to our foundation female DF Julie Roberts 33R, This cow family is probably the biggest and most prolific in Jace Cattle. Sired by PHG Crown Royal C57, what I consider one of the best female makers we have ever walked, this cross has really worked. Bred to our new Jr herd sire CK Fixed Asset 32F I think this combination could really work. Due February 5 2020

SLC Freedom - service

Debbie 33F is a beautiful bred heifer stemming from our Debbie line of females. She is attractive in her front third, and maternal in her design. She is bred early to SLC Freedom and will not disappoint as a leading female in your herd. You can expect her to have a textbook udder, and pass along the incredible hair coat she sports.

*Productive Breed Heifers*

FLR 3C - sire

FLR France 73F sports a deep red coat with a long spine and exceptional pedigree. Her Dam CK THEA 18X was a high selling heifer at the Wish list sale. An exceptional mother cow with an ideal udder and great disposition that she passes down to all her calves and this one is no exception. Her Sire FLR 3C has consistently put a big hip, good foot structure and eye appeal on his calves. This is the kind of heifer you can expect great things from in the future.

This is an easy fleshing, big middled, stout made heifer with a clean front, topped off with a nice hair coat. Her sire is a high selling U-Betcha son who has been a great asset to our program, with his sons in the top of our bull pen and his daughters turned into very productive females. This little lady is sure to be an impressive brood cow.

Her service sire is none other than SLC Viper 7E, which ensures a much anticipated birth for the new owners. Ranked 1st in her group for both birth and weaning 7F is definitely a cream of the crop selection from Milne's Gelbvieh.

This is an exceptional JOE Third Edition daughter from a favorite dam at Milne's Gelbvieh. The fact that there is a full sister from the 2019 crop is the only reason you see her on offer. She is moderate in frame as sound as the come and should inherit her dams exceptional udder quality. The Temptress cow family is known for their maternal strength descending from the Linda cow that founded Harold and Bev's program. Her early service to SLC VIPER 7E makes this an exciting package, you can wave your hand with confidence

Faithful 27F is a heifer that has one of the most interesting pedigrees in our replacement pen. She is a granddaughter of the full blood bull HALSIG and daughter of the calving ease bull Goodview Pld Drake. The Faithful cow family will always be held in high standing in our herd. Its one thing to say a heifer is at the top of the replacement pen but when a cow is 10 years old and still stands out in the herd; that's saying something. She is from a long line of stand out cows that produce year after year. The longevity and soundness that come in the Faithful females undeniably tops our cow herd.

## Fancy Heifer Calves

JM Gracie 25G is a very eye appealing Concord daughter that really showcases our balancer program. Concord was selected for what we figured would be an awesome female maker. He has exceeded our expectations, small calves, early gestation, lots of grow, great hair and tremendous consistency. Not one of his calves, bull or heifer found its way to the cull pen. He seen heavier use at our place this year, and will probably see an increased work load next spring as well.

## Fancy Heifer Calves

PHG Crown Royal C57 - sire

JM Georgia 35G is a full sister to the bred heifer we have on offer. Sometimes I wonder why I am selling JM Diva 34D's first two calves born? The answer is simple. I am so confident that this cow is a sure thing every time, that I will have lots of opportunity to keep the rest of her heifer calves born in the future. Therefor to show consistency in this mating I have decided to let them both find new homes.

*Fancy Heifer Calves*

STON Blackbird 18G is a beautiful Balancer heifer sired by our calling ease Roadie son from SLC and mothered by a beautiful Angus dam. She stems from the Blackbird tribe of Hamilton Farms and has a prominent cow family on both sides of her pedigree. Blackbird is a powerful female who could easily wear a halter and will no doubt make a front pasture female.

## Fancy Heifer Calves

Fir River Red Chilli 451Y - maternal grandsire

Jen-Ty Gypsy 302G is an absolute gem. She is a beautiful black, homo pld powerhouse. You have to be impressed by her 718 lb weaning weight. She is long bodied, thick made, tons of hair just an overall fancy female. She is sired by JM Excalibur 58E who we purchased last year from Jace Cattle Company. Her dam Jen-Ty Bobbi 701B is a true Chilli female with a tremendous structured udder, loads of thickness and maternal instincts as well. Gypsy is just one of those females that when you see her you are in awe on how well she is put together. She also has the sweetest disposition about her. We are confident she is going to make a tremendous broody female for any program.

Now here is just a sweet heart of a heifer this moderate, thick made fancy female is defiantly an eye catcher. Jen-Ty Cup Cake's body structure is sure to amaze you with her depth to rib, good strong top line and loads of dark red hair. You will also be impressed with her calving numbers. She carries a lot of trait from her sire Jen-Ty Red Neck 35D, who is just an overall meat machine, he produces amazing females and pound making bulls. Cup Cake's Great Grand dam was 18 this year and has never missed a beat her longevity, maternal instincts and sweet disposition are her greatest assets. Cup cake's pedigree is stacked with great genetic makeup. She is sure to demand attention on sale day.

RWG Right Combination 5506 - sire

BNH Gin and Tonic 12G is a female that we really struggled to let go of but we feel that she is a true representation of the females at BNH, deep ribbed, thick made, sound and functional females. Gin and Tonic is sired by the 3 time National Champion bull, RWG Right Combination 5506, who was 2016 National Champion at CWA, 2017 National Champion at NWSS and 2017 National Champion at FE. Gin's paternal sibling sold for \$44,000 for half interest and half possession in 2017 and this quality has continued on in his offspring. Gin is also a maternal sibling to Done Right Peterbilt, who was sold to Smithers Land and

Livestock at the 2018 Gelbvieh Advantage Bull Sale. This young female is as soft made as you can make them and is known to come from a long line of extremely deep sided females, stemming back to the PV Labamba 27U cow that is a female who was sure to impress anyone who saw her in person. Gin has all the right pieces to be the next great one!

JNA The Spice Up sold to Twin View Farms for \$8,500 in the 2017 Wish List

Here is your last chance to buy a Spice Girl 106A x Super Duty animal! This mating has done us so well. It has consistently given us offspring that are deep bodied, thick, and eye appealing. Lady Spice is homozygous polled and something special. Maybe it's our age starting to show- but temperament is of the utmost importance to us. We insist on dealing only with quiet, easy going cattle- and we know you do too. Lady Spice is as sweet as they come. Juniors buy with confidence here! But don't let her quiet disposition fool you- she's going to be a powerhouse female who is going to make you impressive calves year after year. Feminine and fancy without sacrificing

Xenah along side her dam

We are pleased to offer Dusty Rose Xenah 953G into the Wishlist Sale. This fancy red heifer found our attention at a very young age. Her depth and overall proportion and balance will surely propel her to do well for her suitor. We selected her dam from the John Milne dispersal. Snip is an easy going female that quietly goes unnoticed until you see her calf in the fall. Xenah is from the final crop of calves from Arkansas who has left some females in our herd we are pleased with and who is still

breeding at 6 on perfect untouched feet. We feel that Xena will be a durable and moderate female that can contribute in any number of program selections

Red U-2 Recon 182B - sire

This calf is sired by U-2 Red Recon 182B. A strong progeny of U-2 RED RECON 192Y. From the great U-2 ranch right here in southern Alberta. Recon has an awesome foot, lots of muscle and a commanding presence. His sire's daughters boost wonderful milk, broody look, and raise strong calves. There was a reason we decided to use him, in the making of this great 50% balancer female on offer. This female is a pride of our progressive outlook on the Gelbvieh genetics. She has been refined by her Purebred Gelbvieh momma, and boosted by her Purebred Angus daddy. She has all the attributes one may look for in a balancer calf, and will make amazing offspring I'm sure of it. Keep your eye open for this work of art on sale day

### TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

### CERTIFICATE OF REGISTRATIONS:

Each purebred animal will carry papers issued by the Gelbvieh Association of Canada. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

### HEALTH:

All animals in the sale have met all necessary health requirements.

### GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Gelbvieh Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

### PREGNANCY INFORMATION:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be use only as a guideline to calving and is not a guarantee of actual service.

### LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale consultant assume no liability legal or otherwise, for any accidents that occur. It is understood that The Gelbvieh Association of AB/BC is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does The Gelbvieh Association of AB/BC assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. The Gelbvieh Association of AB/BC assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

### DELIVERY:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

### PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

### INSURANCE:

We strongly recommend that insurance is purchased for full value.
